Other Methods (coming soon): Credit Card, Venmo

Lesson Times and Policies

Monthly - regularly scheduled weekly lessons for one month

Monthly lessons are available at a discounted rate and are scheduled based on availability of time slots. Lesson times are available from 10:30am until 6:00pm Tuesday through Saturday. Signing up for monthly lessons has major advantages.

Having weekly regularly scheduled lessons will increase your progress, ensure your time slot each week, and save you money. As well as being a discounted rate, for some months you will have 5 lessons during the month depending on the days of the month and the day of your scheduled lesson.

Payments for monthly lessons are due the first week of the month during the regularly scheduled lesson. For students starting after the first week of the month, the monthly lesson rate is prorated based on the number of weeks left in the month.

Lessons are scheduled for the same day and time for each week. Scheduling is flexible depending on the availability of open time slots. Re-scheduling can be accommodated if necessary to fit changes in your schedule.

Missed lessons should be avoided. You should try to make every effort to make all lessons. If you are unable to attend a lesson, please contact me as soon as possible. Make up lessons can be scheduled. However, in consideration for other students the time will not always be convenient as make-up lessons are scheduled between other students' lessons. Please avoid excessive missed lessons and make-up lessons. I allow one make-up lesson per month, except in the case of circumstances that cannot be avoided. I will do everything I can to re-schedule a make-up lesson. Monthly lessons **do not** carry over to the next month. There are no refunds for missed lessons or missed make-up lessons. Missed lessons should be rescheduled as soon as possible.

Single Lessons

Single lessons are available and can be scheduled based on the availability of open time slots. However, it will not guarantee that that time slot will be available from one week to the next.

Payments are due the day of your scheduled lesson. Only cash or check are accepted for single lessons.
